Subject: Honeywell October 7, 2015 Meeting Follow-up Information

Mr. Abraham,

Please find attached the additional information requested during our meeting on October 7, 2015. Hardcopies of the opacity report (Attachment 7) will follow in the mail. The D-Train particulate test results (Attachment 8) and the C-Train sulfur dioxide tests results (Attachment 9) are being submitted in draft form. Hardcopies of these reports will be submitted once they are finalized,.

Please let me know if you have any questions.

Phillip Sparks

Sr. Environmental Engineer
Honeywell | Performance Materials & Technologies
